

Hello,

We are pleased to announce that **SIEM SUPRANITE**, member of The **FLEXITALLIC** Group, a leading provider of industrial sealing solutions, has received the prestigious accreditation **TA-LUFT** for its **CHANGE ®** gasket.

Manufactured using proprietary equipment, the **CHANGE ®** gasket features a unique metal spiral profile compared with standard gaskets. This profile combined with a laser welding process facilitates the construction of a robust and dynamic seal, with a very high elastic recovery. You will find below links providing access to additional information on the subject.

Do not hesitate to contact us directly for your enquiry. We remain at your disposal for any further information.

Regards,
Your **SIEM SUPRANITE** Team
